Office of Legislative Counsel

Monday - 23 April 1956

- - - - -

The Director appeared before the Symington Subcommittee. Senators Symington, Jackson, Saltonstall and Duff were present, along with Committee counsel and staff. The ~~General~~^{Director} was accompanied by General Bull, General Watson and staff, and Messrs. Scoville, Stoertz and Paul of CIA. The hearing followed pretty much the lines indicated by Mr. Hamilton the previous day. The question of declassification of testimony was discussed briefly. Senator Symington asked the Director's cooperation in seeing to it that as much as possible of the material in his testimony be made available for release to the press. The Director indicated that he would look into this matter, but made no commitment that any part of his testimony could be so treated. The Director is to appear tomorrow morning in order to enable the Committee to complete ~~his~~^{the} questioning.
